#### NOTICE OF SPECIAL LEGISLATION IN RE: SEAWALL COMMISSION

Notice is hereby given of intention to apply to the 1933 Session of the Legislature of the State of Florida, for the passage of a local or special bill to create a Seawall Commission in and for Duval County, Florida.

The substance of the contemplated law is that a Seawall Commission shall be created in and for Duval County, Florida, the members of such Commission to be appointed by the Governor. The Seawall Commission shall be authorized to build or construct seawalls along the Eastern shore of Duval County, between the mouth of the St. Johns River, and the Northern boundary line of St. Johns County, or portions thereof. Under the contemplated law, the said Commission shall have the right to issue certificates of indebtedness, or bonds, the principal and interest of which shall be paid by the proceeds of a portion of the gasoline tax which may be appropriated or paid to Duval County, and by special assessments levied against the abutting property. Such certificates or bonds shall not be general obligations of Duval County, and only the designated portion of the gasoline tax and the special assessments levied against abutting property, shall be used to pay the principal and interest of the certificates, or bonds.

The contemplated law will give the Commission full authority to make such special assessments against the abutting property, and will provide that no such certificates or bonds shall be issued, and that no portion of the gasoline tax money coming to Duval County, shall be used or appropriated for such purpose, unless the act is ratified or approved by a majority of those participating at a special election, to be had for that purpose, in which a majority of the free-holders who are qualified electors, residing in Duval County, shall partici-

pate, in the manner required by the Constitution of the State of Florida.

The contemplated law will contain specific provisions as to the maximum amount of certificates, or bonds, which may be issued, and will require all contracts for the construction of the proposed improvements to be awarded after competitive bidding, and will provide for the manner and method of making special assessments against the abutting property, and for the collection thereof. The said Commission will be given such rights and powers and there will be imposed upon it such duties as may be necessary to carry out the purpose and intent of the contemplated law, to build or construct the improvements as hereinabove mentioned.
